Impact Lives Through Safe and Living Water

Together, we build possibilities! We count on people like you to serve our global neighbors. When we work together, families around the world can enjoy reliable access to safe water.

Whether you can partner with us through your time, talent, treasure, or influence, we have ways for you to help bring safe water solutions to men, women, and children in need.

The Global Water Crisis

2 billion people around the world lack access to safe water. That's one-third of the world's population. But there is hope.

Our Solutions

With your help, we can save lives and transform communities with safe water and the hope of God's love.

About Water Mission

Water Mission is a Christian engineering nonprofit that builds sustainable safe water solutions for people in developing countries, refugee camps, and disaster areas. Since 2001, Water Mission has served more than 8 million men, women, and children in more than 60 countries with sustainable safe water, sanitation, and hygiene solutions.

Our vision is that all people have safe water and an opportunity to experience God's love.

Ways to Get Involved

There are countless ways you can use your time, talent, treasure, and influence to help bring safe water solutions to communities in need around the world! Here are some ways:

Pray
