

Bring Hope to Those Impacted by the Earthquakes in Venezuela

On June 24, 2026, two back-to-back earthquakes struck Venezuela, impacting millions across the country.

As you know, our church family is passionate about serving men, women, and children in need around the world.

During any disaster, clean, safe water is critical to preventing the spread of waterborne illnesses, which are especially deadly to children under 5.

Our brothers and sisters at Water Mission, a Christian engineering nonprofit that builds safe water solutions, have deployed to Venezuela. Driven by their faith, the team is bringing safe water solutions and the hope of God's love to our global neighbors in their darkest hour.

How Can I Help?

1. Join us in praying for the people of Venezuela. Ask the Lord for provision, protection, and restoration.
2. Help meet urgent needs in Venezuela by visiting watermission.org/ve. Your gift will help bring safe water and the hope of God's love to people in desperate need.
3. Advocate on social media by following Water Mission @WaterMissions on Facebook, @WaterMission on Instagram and Twitter, and @water-mission on LinkedIn. Share posts and tell your friends why you choose to care for your global neighbors in their time of need.
