

Thank you for supporting Water Mission through a gift of securities. We indeed appreciate this type of donation and are prepared to handle it efficiently.

There are many ways to give securities but, perhaps the most practical and efficient is to request your stockbrokers transfer the securities electronically to our broker. Below is our account information required to transfer your stocks:

- Broker: RBC (Royal Bank of Canada) Wealth Management
- RBC Wealth Management DTC # 0235
- Water Missions International Account #31219384
- Contact at RBC: Frank W. Dingle Phone # 410-659-4681

Upon making your donation, it is very important that you email Abby Miller, Donor Care Manager, at amiller@watermission.org with the following information to properly process your gift. This will ensure proper receipting for your charitable deduction.

- Your name
- Your address
- The name of the stock(s)
- The number of shares

Below is a form letter that you can use to send to your broker, giving them the instructions for sending the stock to our account at RCB Wealth Management. Please forward a copy to us by email, FAX - (843) 763-6082 or mail to:
