

Photography/Videography Intern

Who is Water Mission?

Water Mission is a rapidly growing Christian engineering nonprofit working to end the global water crisis by building safe water, sanitation, and hygiene solutions in developing nations and disaster areas. Guided by love, excellence, and integrity, we are driven to share clean, safe water and God's love with all. To date, we have served more than 4 million people in 56 countries. Working at Water Mission is as much a calling as it is a career, and we are searching for people with the courage, passion, and drive to help us change the world.

What is the opportunity?

The Water Mission Marketing and Communications team is seeking a Photography/Videography Intern. The Photography/Videography Intern will be responsible for managing Water Mission's digital asset management system (Libris), assisting in photography and video needs, and other communications projects. This full-time, unpaid position is based in North Charleston, SC and will report directly to our Public Relations Strategist. A successful Photography/Videography intern will:

- Manage the tagging of images in Libris photo management system.
- Assist with video production including script writing, filming, postproduction, etc.
- Support social media, public relations, and other communications efforts as needed
- Capture and edit visual content for multiple platforms
- Produce photography in various methods including printed/digital media
- Perform retouching and image adjustments after shoots

What is required?

- Working toward a degree in visual production, communications, or an equivalent program
- Experience in managing visual assets preferred
- Knowledge of metadata and tagging systems preferred
- Experience in photography and video production
- Competent in Premiere Pro
- Experience with multiple social media platforms

Interested, qualified applicants should apply at watermission.org/get-involved/join-our-team/internships.
