Sponsorship Opportunities

Around the world, 2.2 billion people lack access to safe water. Millions of women and children walk more than three miles to collect water for their families every day.

The Walk for Water is a unique event that gives individuals the opportunity to walk in others' shoes to help end the global water crisis. We offer a variety of sponsorship opportunities. Whatever level you choose, you will be helping to transform the lives of millions of people by supporting Water Mission's work around the world.
