

Investor Partnerships Internship

Who is Water Mission?

Water Mission is a nonprofit Christian engineering organization that designs, builds, and implements safe water, sanitation, and hygiene (WASH) solutions for people in developing countries and disaster areas. Guided by love, excellence, and integrity, we are driven to share clean, safe water and God's love with all. To date, we have served more than 7 million people in 57 countries.

What is the opportunity?

The Investor Partnerships intern will work closely with the Partnerships Director (West Coast) to support Water Mission's partnership development and will have the option to work remotely.

The scope of this internship may include:

- Support the work of Partnerships Directors and Partnerships Managers in building relationships with individuals, churches, foundations, and other organizations that partner financially with Water Mission
- Create templates for partner cultivation strategies, including partner events or educational toolkits for ambassadors
- Research existing and prospective partners, including individuals, churches, foundations, or other organizations
- Support the stewardship and thanking of partners who invest financially in the mission
- Other duties as assigned

What is required?

- Majoring in Business administration, nonprofit management, public administration, or another related field
- Must have strong computer skills, including experience in Microsoft Office Suite (Word, Excel, PowerPoint)
- Evidence of living out the Water Mission values - love, excellence, integrity
- Demonstrate an interest in the global water crisis, international development, humanitarian work, or global missions
- Experience working with another nonprofit organization as an intern or volunteer
- Experience fundraising for nonprofit
- Ability to commit to 20 hours per week is preferred
