PRESENTED BY:

ST ANDREW'S

Millions of women and children walk more than three miles to collect water each day. The Walk for Water simulates this trek and allows you to impact lives around the world. Join Water Mission on March 23 for an unforgettable experience at the 2024 Walk for Water in Charleston. **This year, we walk with the goal of raising enough support to bring safe water and the Living Water message of Jesus Christ to 15,000 people in need.**
